

Shipping Arrangements

Trader's Forum will contract shipping service between show venues. The prices include:

- Material handling at the point of pick-up and delivery.
- Delivery to your booth at the upcoming show.

Please let us know your requirements by putting the number of skids to be reserved with the company name, contact information and telephone number.

Spaces on the trucks are **limited**; let us know your requirements no later than **Aug 2nd, 2010**.
